MARKET LEADING OPEN CAR TRAILERS

UNITED KINGDOM

C TRANSPORTER

C TRANSPORTER

THE NAME IN RACE &
RALLY PADDOCKS

5 5 YEAR
CHASSIS
WARRANTY

The **C Transporter** trailer range represents the essence of Brian James Trailers' core values. Those being quality you can depend on at competitive prices, **C Transporter** trailers offer real value for money.

C Transporter trailers are available in a wide range of sizes and configurations with either single or twin axles. Several models fit comfortably inside a standard garage, perfect if storage space is an issue.

C Transporter

Innovation, value and quality

○ Tie-down wheel 'sleeve' straps

Approved by car manufacturers and race teams alike, these new straps hold the vehicle safely and securely without straining suspension geometry. Easy to fit, with multiple built-in tie-down points.

○ Wheel chocks, Bolt in (pair)

Fully adjustable wheel chocks bolt directly to the chassis bed.

● **High grip punched ramps** 1.90m (single axle models) and 2.40m (twin axle models) long ramps store conveniently. Profiled guides allow the ramps to slide easily into the deck tray.

● **Strong chassis design**

Durable galvanised chassis features a 'soft-ride' suspension for superior performance, stability and comfort.

○ **Manual winch**, 3 point adjustable pull positions, (pictured left).

○ **Electric winch**, powerful 12V, 4500lbs capacity with remote control lead (option not shown).

Note: For twin axle models only

○ **Deck slick pad**
For cars with soft 'slick' race tyres, pad raises tyre contact area above the punched deck.

○ **Manual winch**, load pressure auto braked, 6 point adjustable pull positions.

● **Protected rear lighting**
Robust protection to rear lamp cluster.

○ **Alloy wheels**
C Transporters are also available with alloy wheels in standard Silver or diamond-cut Anthracite (Anthracite shown).

● Standard. ○ Optional at extra cost.

A TRANSPORTER

A TRANSPORTER DESIGNED FOR PERFORMANCE

5 5 YEAR
CHASSIS
WARRANTY

The **A Transporter** range represents the ultimate evolution in trailer design. With a strong, durable galvanised chassis, low bed height and a range topping 3000kg gross capacity. A Transporter trailers are perfectly suited for vehicle recovery, professional transport and motorsport alike.

A Transporter trailers are available with load bed lengths from 2.70m to 5.00m, in single or twin axle variants. All feature internally stored 'easy glide' ramps and a flush fitting centre deck.

Low chassis design for safe and stable towing

A TRANSPORTER

A Transporter

High specification as standard

● **Rear stands with foot pedal action**
Designed to compliment the 'easy glide' out ramps these spring loaded, foot operated support stands can be lowered or raised in seconds. Rear stands provide the dual function of load support when engaged and locking the ramps safely in position when towing.

○ **Wheel chocks, Professional**
Fully adjustable, quick release wheel chock system engages directly into the trailer chassis within seconds.

○ **Tie-down wheel 'sleeve' straps**
Approved by car manufacturers and race teams alike, these new straps hold the vehicle safely and securely without straining suspension geometry. Easy to fit, with multiple built-in tie-down points.

● **Easy glide, high grip ramps**
1.90m (single axle models) and 2.40m (twin axle models) punched ramps pull out from the trailer bed in seconds.

'Easy-glide' rollers ensure the operation requires little effort.

○ Manual winch, load pressure auto braked, + 6 point adjustable pull positions.

○ Fuel can storage
Designed to carry either 1, 2 or 3 x 20ltr Jerry cans. Lockable, twin opening doors. A Transporters are available in Sargasso blue, Poppy red, Arcelor anthracite or Jet black body colour trim and the fuel storage locker can be colour matched to the trailer body.

○ Manual winch + 3 point adjustable pull positions.

● Storage bed locker (front)
Lockable front storage locker, with automatic lift lid.

Internal size: 425mm length, 90mm depth, width dependent on chassis load bed width.

○ Alloy wheels

A Transporters are also available with alloy wheels in standard Silver or diamond-cut Anthracite (Anthracite shown).

5 YEAR EXTENDED CHASSIS WARRANTY

All of our trailers come with a standard 1 year non-transferable manufacturer's warranty covering the integrity of the chassis, which can be extended to 5 years at no additional charge upon registration.

This 5 year extended warranty applies to the chassis only. All other components are subject to a standard 1 year warranty, subject to fair wear and tear.

NOTES

All images used are for illustrative purposes only and may show non-standard equipment and finishes. All products are subject to change without prior notice due to our continuous development programme.
